

# RFP-147-2024 - Veterinary Services Spay/Neuter for Pre/Post Adoption

Multnomah County Animal Services (MCAS) is looking for local veterinary clinics and hospitals to provide contracted veterinary services, including **spay and neuter surgeries, vaccinations, and microchipping.**

Services may be provided to shelter animals or fostered animals pre-adoption, or for recent adopters and their animals participating in a reimbursed voucher program.

## Opportunity Ends July 1, 2024

### To Apply or Learn More

To access the RFP, visit the Multnomah County Marketplace website (<https://multco.us/purchasing/bids-proposal-opportunities>) then scroll down for new business opportunities. Search “**RFP-147-2024**” for “*Veterinary Services for Spay/Neuter Pre/Post Adoption.*”

Proposals must be submitted electronically through the *Multco Marketplace Supplier Network*. Suppliers who do not currently have access to Multco Marketplace will need to complete an [MMP Supplier Access Request Form](#) to become registered.
